NEWS LETTER 2019-2020

ISSUE 2 - FEBRUARY 2020

Rev. Sr. Dr. Philo Jeas
Principal

“Let your hope keep you joyful, be patient in your troubles and pray at all times” (Rom. 12/12)

As the world gets ready to welcome a new year of hope and prosperity, Little Flower College gets ready for a new era of growth and development. The preparations for the next cycle of NAAC accreditations are in full swing and we have plunged into the herculean task with great will and hope. The uploading of IIQA as the first step towards the submission of NAAC files is the first task in front of us right now. The journey upon which we have embarked is arduous for sure but our will is sure and our readiness to work is mighty. This is a time of hope and great expectations for the institution and I extend my sincerest wishes to the Little Flower fraternity. Let us stand together and strive together wholeheartedly for the best. Let the Lord Almighty reward each one of you by His choicest blessings.

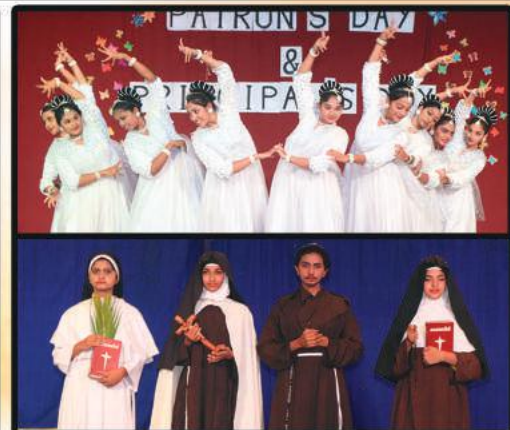

“I am holding you by the right hand and I tell you, do not be afraid” (Is. 41/13).
