

EMPLOYER FEEDBACK ANALYSIS AND ACTION TAKEN REPORT

2014-2019

Employers are the major analysers of education outcome. Their feedback is important for us as it provides the basis for further enrichment in teaching, learning, training aspects and the overall performance of students. We keep constant contact with the employers to know about the expectations and needs in the employability sector as per the global requirements.

II. FEEDBACK ANALYSIS

Observations with regard to the employer feedback show that the performances of our students meet the demand of the professional scenario. The employers reported that they would like to employ more students from our institute. The employers also reported that they would like to recommend our students to other organization.

III. ACTION TAKEN

As per the constant communications with the employers the following steps were taken:

1. Introduced new certificate courses to meet the additional skills needed.
2. Incubation centers were setup for a progressive learning perspective assisting global competency.
3. More career oriented logistic and soft skill training sessions were introduced.
